WELCOME MESSAGE

Greetings from Kasturba Medical College Mangalore !

We are delighted to invite you to the KMC Cancer Conclave 2026, hosted by the Department of Oncology, KMC Hospital Attavar Oncology Centre.

This year's conclave revolves around the theme – **"Bridging Together Disciplines for Better Gastrointestinal Cancer Outcomes."** It celebrates the power of collaboration – where surgeons, oncologists, gastroenterologists, pathologists, and researchers come together with a shared mission: to push the boundaries of what's possible in cancer care.

The two-day event promises a dynamic blend of scientific sessions, debates, workshops, clinical case discussions, and networking opportunities – designed to spark new ideas, build meaningful connections, and inspire collective action. At the heart of this conclave lies a simple belief: when knowledge converges across disciplines, outcomes transform – and so do lives.

Let's join hands to learn, share, and shape the future of gastrointestinal oncology – together.

Regards,
Organizing Committee
KMC Cancer Conclave 2026

ABOUT KMC MANGALORE & KMC HOSPITAL ATTAVAR ONCOLOGY CENTRE

Kasturba Medical College Mangalore, a constituent unit of Manipal Academy of Higher Education (MAHE), Institution of Eminence, Deemed to be University, is a centre of excellence in medical education and research. KMC Mangalore ranks among the top medical colleges in the country. It is the first college in India to be developed under the public-private partnership model in medical education and health care delivery. The college maintains high standards in medical education, attracting students from across the globe.

Established in 1992, **KMC Hospital Attavar Oncology Centre (KMCHAOC)** was the first cancer treatment hospital in Mangalore and has since grown into the region's most advanced cancer care centre. From its humble beginnings it has evolved into a modern multidisciplinary unit offering Radiation, Surgical, Medical, and Paediatric Oncology, supported by Oncopathology and Pain & Palliative Care. The Radiation Oncology department is equipped with TrueBeam linear accelerator delivering SRS, SBRT, IMRT, IGRT and an advanced HDR brachytherapy system. Surgical Oncology offers minimally invasive, organ-preserving and complex cancer surgeries, while Medical Oncology provides chemotherapy, targeted therapy and immunotherapy. With strong diagnostic support and holistic palliative services, KMCHAOC continues to offer world-class, compassionate and technology-driven cancer care to the people of coastal Karnataka.

HIGHLIGHTS

- Scientific Sessions
- Debates
- Panel Discussions
- Paper & Poster Presentations
- Best Paper & Best Poster Awards
- PG Quiz
- Hands On Workshops (Surgery & Radiation Oncology)
- Clinical Case Discussions
- Networking Sessions

WHO SHOULD ATTEND?

- **Oncologists** (Surgical, Medical & Radiation)

- **General Surgeons**
- **GI Surgeons**
- **Gastroenterologists**
- **Interventional Gastroenterologists**
- **Pathologists**
- **Radiologists &**
- **Health Care Professionals involved in GI Oncology**

ABSTRACTS

Scientific Committee of KMC Cancer Conclave 2026 invites submission of abstracts showcasing research contributions in the field of Gastrointestinal Oncology. Delegates, Researchers & Postgraduates are encouraged to submit their work through the portal on the website. All presenters will receive a presentation certificate and top presentations will be awarded prizes in both oral and poster presentation. The last date for abstract submission is **10th January 2026**.

General Guidelines

- Registration for the conference is mandatory to submit an abstract.
- All abstracts initially will be considered for E-Poster presentation on Day 1 out of which Top 6 will be selected for Oral Presentation on Day 2.
- Please keep the e-poster and a 10-slide PPT ready in advance to avoid last-minute preparation, so that if selected, you can present on Day 2 during the oral presentation session.
- Title of your Abstract should be less than 25 words.
- The Abstract should be less than 350 words excluding the title.
- The abstract should contain Introduction, Materials and Methods, Results & Discussion/Conclusion. (Introduction, Case Details and Discussion for Case Reports)
- **The detailed guidelines of abstract submissions and presentation is given on the website.**

POSTGRADUATE QUIZ

Join us for an engaging and intellectual PG quiz competition at the KMC Cancer Conclave 2026. This event offers participants an opportunity to test their knowledge, demonstrate their expertise, and compete for exciting prizes. We invite you to take part in this academic challenge and strive for the title of Quiz Champions !

General Guidelines

- Each team must consist of 2 participants.
- Participants can be from any college and any specialty.
- Both team members must be individually registered for the quiz.
- Teams are encouraged to choose an innovative team name.
- Preliminary round will be conducted on Day 1, followed by the Final round on Day 2 of the conclave.
- Registration must be completed through the official website.
- Last date for registration: 10th January 2026.
- **The detailed guidelines of PG quiz is given on the website.**
